Being There By Jerzy Kosinski

A modern classic now available from Grove Press, *Being There* is one of the most popular and significant works from a writer of international stature. It is the story of Chauncey Gardiner - Chance, an enigmatic but distinguished man who emerges from nowhere to become an heir to the throne of a Wall Street tycoon, a presidential policy adviser, and a media icon. Truly "a man without qualities," Chance's straightforward responses to popular concerns are heralded as visionary. But though everyone is quoting him, no one is sure what he's really saying. And filling in the blanks in his background proves impossible. *Being There* is a brilliantly satiric look at the unreality of American media culture that is, if anything, more trenchant now than ever.

Editorial Review

Review

"*Being There* is one of those rare books which echoes in the mind long after you have finished it. It will survive as a seminal work of the Seventies."--*New York Post*.

From the Publisher

Chauncey Gardiner is the great enigma: a hero of the American media. TV loves him; print pursues him. He is a household face. He is the one everybody is talking about, though nobody knows what HE is talking about. No one knows where he has come from, but everybody knows he has come to money, power and sex. Was he led to all this by the lovely, well-connected wife of a dying Wall Street tycoon? Or is Chauncey Gardiner riding the waves all by himself because, like a TV image, he floated into the world buoyed up by a force he did not see and could not name? Does he know something we don't? Will he fail? Will he ever be unhappy? The reader must decide.

From the Inside Flap

Chauncey Gardiner is the great enigma: a hero of the American media. TV loves him; print pursues him. He is a household face. He is the one everybody is talking about, though nobody knows what HE is talking about. No one knows where he has come from, but everybody knows he has come to money, power and sex. Was he led to all this by the lovely, well-connected wife of a dying Wall Street tycoon? Or is Chauncey Gardiner riding the waves all by himself because, like a TV image, he floated into the world buoyed up by a force he did not see and could not name? Does he know something we don't? Will he fail? Will he ever be unhappy? The reader must decide.

Users Review

From reader reviews:

Gina Keller:

Reading a publication tends to be new life style on this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Using book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire all their reader with their story or even their experience. Not only situation that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some research before they write to their book. One of them is this Being There.

Orville Norman:

People live in this new moment of lifestyle always try to and must have the extra time or they will get large

amount of stress from both everyday life and work. So , whenever we ask do people have free time, we will say absolutely sure. People is human not only a robot. Then we consult again, what kind of activity do you have when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading books. It can be your alternative throughout spending your spare time, the book you have read will be Being There.

Joshua Castillo:

Beside this kind of Being There in your phone, it could give you a way to get closer to the new knowledge or info. The information and the knowledge you will got here is fresh through the oven so don't always be worry if you feel like an aged people live in narrow village. It is good thing to have Being There because this book offers for your requirements readable information. Do you at times have book but you don't get what it's about. Oh come on, that will not happen if you have this in your hand. The Enjoyable arrangement here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss that? Find this book and also read it from right now!

Kevin Blais:

This Being There is new way for you who has intense curiosity to look for some information since it relief your hunger of information. Getting deeper you on it getting knowledge more you know otherwise you who still having bit of digest in reading this Being There can be the light food for you personally because the information inside this particular book is easy to get simply by anyone. These books create itself in the form which can be reachable by anyone, yes I mean in the e-book form. People who think that in guide form make them feel drowsy even dizzy this book is the answer. So there isn't any in reading a publication especially this one. You can find actually looking for. It should be here for an individual. So , don't miss this! Just read this e-book style for your better life along with knowledge.
