Editorial Review

Review

“This is an incredible resource for teachers who are looking for ways to use best practices in planning for differentiation. The highly readable text is packed with user-friendly strategies for incorporating formative and summative assessments, brain-based learning, learning styles, backwards design lesson planning, and more. I will pick this book up again and again!” (Jodi Mulholland, Principal 2010-03-24)

“The checklist for reviewing and analyzing curriculum maps is powerful, giving teachers guidance with differentiating instruction while teaching on the block.” (Delphia Young, Coordinator of Special Projects 2010-03-24)
