Editorial Review

From the Back Cover

Learn to:

- Boost employee engagement levels, productivity, and creativity
- Create and sustain an engaging culture
- Attract and retain the best people

Create and sustain an engaging culture for your employees

Today more than ever, companies and leaders need a road map to help them boost employee engagement levels. *Employee Engagement For Dummies* helps you implement the necessary plans to create and sustain an engaging culture, allowing you to attract and retain the best people while boosting their productivity, morale, and creativity.

- Employee engagement 101 — get started with employee engagement basics, find your employee engagement baseline, and make the connection between engagement and motivation
- Drive home engagement — engage employees through leadership, use each generation's values to engage them, and drive engagement through team development, branding, and gamification
- You're hired — find the lowdown on hiring for engagement, from interviewing job candidates to effective onboarding techniques to foster engagement
- Measure engagement — discover how to measure and recognize engagement, from setting performance goals to offering rewards and recognition (and everything in between)

Open the book and find:

- How to make a business case for employee engagement
- The effectiveness of using each generation's values to engage them
- The importance of communication to engagement
- Characteristics of an engaged team
- How to help struggling employees
- Ten ways to engage new hires
- How engaged employees help your bottom line
- Quick recognition ideas that will boost engagement
