Feels Like Home: A Southerland Family Contemporary Romance (The Southerlands Book 1) By Evelyn Adams

From New York Times and USA Today bestselling author Evelyn Adams...

Tired of living under the shadow of her mother's bad choices, Autumn Maddox left home the first chance she got. But when her carefully constructed life crumbles around her, Autumn's forced to return to the small southern town that never let her forget she came from the wrong side of the tracks.

Jude Southerland, the town doctor, is used to taking care of people and with a pedigree that has the Ladies Auxiliary reaching for their fans, he's easily the town's most eligible bachelor – a status he has no intention of changing. That is until he almost runs down the Maddox girl he never noticed in school and suddenly finds her lush curves, dark curls and blue eyes consuming his thoughts, day and night.

Autumn would like nothing more than to live happily ever after with Jude. But with every local matron in the valley trying to marry him off to their own daughters, she knows they won't let her forget that she's not good enough and never will be. With the chance to finally find happiness, can she overcome her family history and find the confidence she needs to believe in herself or will she let love pass her by?
