**Religion in Sociological Perspective** By Keith A. Roberts, David A. Yamane

This fully updated **Sixth Edition** of **Religion in Sociological Perspective** introduces students to the basic theories and methods in the field, and shows them how to apply these analytic tools to new groups they encounter. Authors Keith A Roberts and David Yamane explore three interdependent subsystems of religion—meaning, structure, and belonging—and their connections to the larger social structure. While they cover the major theoretical paradigms of the field and employ various middle-range theories to explore specific processes, they use the open systems model as a single unifying framework to integrate the theories and enhance student understanding.

## **Editorial Review**

### About the Author

**Keith A. Roberts** is Emeritus Professor of Sociology at Hanover College, a private liberal arts college of about 1,100 students in Indiana. He has taught introductory sociology for 35 years with a passion for active learning strategies and a focus on “deep learning” by students that transforms the way they see the world. Prior to teaching at Hanover, he taught at a 2-year regional campus of a large university.

He has been active in the teaching movement, writing on teaching and serving as a consultant to sociology departments across the country in his capacity as a member of the American Sociological Association Departmental Resources Group. He has written a very popular textbook in the sociology of religion, has coauthored a book on writing in the undergraduate curriculum, has published and led many workshops on the Scholarship of Teaching and Learning, and for 22 years ran an annual workshop for high school sociology teachers. He has chaired the Selection Committee for the SAGE Innovations and Professional Development Awards since the program’s inception. He has been honored for his teaching and teaching-related work at local, state, regional, and national levels. The American Sociological Association’s Section on Teaching and Learning awarded him the Hans O. Mauksch Award for Distinguished Contributions to Teaching of Sociology in 2000. He was honored with the American Sociological Association’s Distinguished Contributions to Teaching Award in 2010. In 2012, the North Central Sociological Association awarded Keith the J. Milton Yinger Award for Distinguished Career in Sociology.

**David Yamane** is professor of sociology at Wake Forest University. He has published in the sociology of religion and in the scholarship of teaching and learning. He is completing a 4-year term as Associate Editor of a leading journal in the field, the *Journal for the Scientific Study of Religion*. In 2007, he was chosen by Wake Forest students to receive the Kulynych Family Omicron Delta Kappa Award for Contribution to Student Life.

## **Users Review**

### **From reader reviews:**

#### **Karen Olden:**
