## Size and Strength Blueprint: The Ultimate Encyclopedia of Proven Workouts By Josh Bryant, Noah Bryant

Are you a hard worker? Are you tired of busting your butt and not having the size and strength to show for it? You can't reach your goals in the gym without a plan! Now you will never have to hit the gym without a set workout again! What you have in your hands is the ultimate blueprint to a bigger, stronger you! Now all your hours sweating and toiling away on the weight pile won't be in vain. Even the most seasoned gym veterans and highly skilled trainers have difficulty consistently coming up with fresh and effective workouts. But for those willing to put in the time (the lazy and uncommitted need not apply), the Size and Strength Blueprint is here to take your strength and physique game to the next level. In this book we show you exactly what to do to put on pounds of quality lean muscle mass, and strength levels to match, in a matter of weeks! These are not theory-based workouts. They have been tested and proven on world-class athletes from IFBB Pros Johnnie Jackson and Branch Warren, World Record Holder Jeremy Hoornstra, professional athletes, and some of the strongest men in the world. Josh and Noah Bryant have "been there and done that" and are full-time trainers whose clients make up the A-List of the weightlifting world. You can now use the secrets and methods of two of the world's best trainers in your own program. Imagine, in just a couple of months, being more confident, feeling better physically and mentally, and reaching goals you previously thought unattainable, all without living in the gym and doing hours of cannibalizing cardio! The Blueprint is going to be the greatest training investment you have ever made and is an absolute necessity for any serious strength athlete or personal trainer. If you have the work ethic, we have the plan!
