Untamed 2: Out of Control By Jen Meyers, Victoria Green

Three years have passed since Dare Wilde walked out of Reagan McKinley's life. Three years of radio silence. Three years of regrets.

But she's not the same girl anymore. Now, at twenty-two, Reagan has big plans to change her life, and it all starts with a trip to Europe. Instead of heading into Harvard Law like her parents had planned, she's crossed the ocean to follow her dreams in the art world. Her dreams. For once.

A chance meeting in Paris brings Reagan and Dare face-to-face again, but is it serendipity...or penance? A chasm of unspoken hurt stands between them, but they can't fight the passion they have for each other. And now that she's found Dare again—the one person in this world who makes her feel whole—she doesn't want to let go. Problem is, she may not have a choice.

Two parts. One whole.

Together...they're out of control.

This unique, angsty, art-infused novel series is like a sexy CW show. Perfect for fans of H.M. Ward, Jamie McGuire, and Jennifer L. Armentrout.

* This is episode 2 of a 5-episode new adult series. Each book in the series is like an episode of your favorite television drama, telling a full piece of a much larger story, ending on a cliffhanger and leading right into the next book. Due to mature subject matter (sexual situations and strong language) this book may not be suitable for all readers.

Editorial Review

Review

"This is angst filled romance of the highest order, writing that is of the highest calibre, and a story that is as captivating as it is heart-breaking." --Carol Fenton, Books Laid Bare

"This plot intoxicates you, urging you to keep reading. It's just simply a great story beautifully written, reminding romance lovers why we love a good, angsty love story. And it has merely to climb in the front seat and continue riding through Dare and Reagan's journey." --TeriLyn Reviews

"Victoria Green and Jen Meyers paint a picture using words that is so incredibly vivid that you sometimes feel as though you're watching the interactions between the characters being played out on canvas instead of on a page in a book. This book was so much deeper than I could have ever imagined it being. Right out of the gate you're slammed with a lot of emotion. " --Justin's Book Blog

"I LOVE everything about this book. This one blew me away!! I cannot wait TO READ PART 3. I NEED it like I need water right now!" --Jessika
