Dying for Keeps (Agents of TRAIT Book 4) By Seleste deLaney

Love and death in the Bermuda Triangle...

Greta Gallagher is TRAIT's secret weapon. With her uncanny ability to sense trouble before it even happens, she's an invaluable asset to the team and her partner, Nico Tancredi. Except that ever since she botched the last mission, her “gift” has been completely MIA...and she needs Nico's help to find it again .

Nico has the ability to manipulate anyone except Greta. His challenge is to figure out how her mind works, without letting their attraction—unspoken and untried—get in the way. It does...and it's more intense than either of them imagined. But deep in the waters of the Bermuda Triangle, a terrifying secret waits for them both. A secret that doesn't just threaten their love, but their lives...and the very heart of TRAIT itself.
