High-Impact Interview Questions: 701 Behavior-Based Questions to Find the Right Person for Every Job (UK Professional Business Management / Business) By Victoria A. Hoevemeyer

"Tell me about a time...." The words evoke a child's fairy-tale innocence. Yet when used by an interviewer, they can help to determine the suitability of a job candidate by eliciting real-world examples of behaviors and experience that can save you and your organization from making a bad hiring decision.

High-Impact Interview Questions shows you how to use competency-based behavioral interviewing methods that will uncover truly relevant and useful information. By having applicants describe specific situations from their own experience during previous jobs (rather than asking them hypothetical questions about "what would you do if..."), you'll be able to identify specific strengths and weaknesses that will tell you if you've found the right person for the job. But developing such behavior-based questions can be time-consuming and difficult.

High-Impact Interview Questions saves you both time and effort. The book contains 701 questions you'll be able to use or adapt for your own needs, matched to 62 in-demand skills such as customer focus, motivation, initiative, adaptability, teamwork, and more. It allows you to move immediately to the particular skills you want to measure, and quickly find just the right tough but necessary questions to ask during an interview.

Asking behavior-based questions is by far the best way to discover crucial details about job candidates. High-Impact Interview Questions gives you the tools and guidance you need to gather this important information before you hire.

Sarah Lopez:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this High-Impact Interview Questions: 701 Behavior-Based Questions to Find the Right Person for Every Job (UK Professional Business Management / Business) can make you sense more interested to read.
