Latin American Science Fiction: Theory and Practice From Brand: Palgrave Macmillan

Combining work by critics from Latin America, the USA, and Europe, *Latin American Science Fiction: Theory and Practice* is the first anthology of articles in English to examine science fiction in all of Latin America, from Mexico and the Caribbean to Brazil and the Southern Cone. Using a variety of sophisticated theoretical approaches, the book explores not merely the development of a science fiction tradition in the region, but more importantly, the intricate ways in which this tradition has engaged with the most important cultural and literary debates of recent year.

Editorial Review

Review

"Latin American Science Fiction is an essential and timely book. Brown and Ginway have masterfully collected valuable texts that capture the current sci-fi sensibility and provide compelling insights into a growing and mutating genre in the region. The critical scope and depth make this an indispensable volume that discloses the complexity of Latin American literature and film well beyond and away from the clichéd perception that it all boils down to magic realism and sociopolitical costumbrismo." - Mike Wilson, Assistant Professor, Facultad de Letras, Pontificia Universidad Católica de Chile and author of *El púgil*, *Zombie* and *Rockabilly*

"This study contributes to a better understanding of how Latin American science fiction, although sharing a similar historical context and cultural tradition, is far from homogeneous. Its diversity is highlighted by different theoretical approaches and thematic perspectives of the contributors. A valuable book." - Marcello Simão Branco, co-author of *Brazilian Yearbook of Fantastic Literature*

About the Author

J. Andrew Brown is an Associate Professor of Spanish and Comparative Literature at Washington University in St. Louis, USA.

Users Review

From reader reviews:

Alicia Wescott:

Book is to be different per grade. Book for children until finally adult are different content. To be sure that book is very important usually. The book *Latin American Science Fiction: Theory and Practice* seemed to be making you to know about other expertise and of course you can take more information. It is rather advantages for you. The book *Latin American Science Fiction: Theory and Practice* is not only giving you far more new information but also to be your friend when you feel bored. You can spend your own spend time to read your e-book. Try to make relationship with the book *Latin American Science Fiction: Theory and Practice*. You never sense lose out for everything in case you read some books.

Patricia McGuire:

Nowadays reading books be a little more than want or need but also be a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The info you get based on what kind of reserve you read, if you want drive more knowledge just go with education books but if you want sense happy read one with theme for entertaining including comic or novel. The actual *Latin American Science Fiction: Theory and Practice* is kind of reserve which is giving the reader erratic experience.

Rodney Hussey:

You are able to spend your free time to read this book this e-book. This Latin American Science Fiction: Theory and Practice is simple to create you can read it in the recreation area, in the beach, train along with soon. If you did not include much space to bring the actual printed book, you can buy typically the e-book. It is make you simpler to read it. You can save the book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.

Michelle Favors:

What is your hobby? Have you heard in which question when you got scholars? We believe that that issue was given by teacher to their students. Many kinds of hobby, Every person has different hobby. And you also know that little person just like reading or as studying become their hobby. You must know that reading is very important and book as to be the thing. Book is important thing to include you knowledge, except your personal teacher or lecturer. You get good news or update concerning something by book. Numerous books that can you choose to use be your object. One of them is actually Latin American Science Fiction: Theory and Practice.
