Bondage artist and educator Lee Harrington takes you on a journey through easy step-by-step ties and exercises for bringing you and your partner closer together through this beautiful art form. The second book in the Shibari You Can Use series, *More Shibari You Can Use* picks up where the first book left off, with all new ties in a playful, down-to-earth, and engaging voice. But it's about more than the bondage. This time you also get a chance to connect more with your partner through a variety of exercises that explore touch, dominance and submission, intimacy, and trust. With beautifully shot images by RiggerJay, this guide offers intermediate techniques for those ready for a challenge, broken down into clear directions for new and experienced "riggers" alike. Find techniques for learning rope bondage negotiation, speed restraint (Texas handcuffs and speed-release corsets), intricate confinement (the reverse box tie and the woven head cage), beautiful erotic rope (from the Triskelion crotch rope to the floral chest harness), and much more.
