**Renegade: An Elemental Novel** By Antony John

**The finale to the dystopian fantasy trilogy James Dashner called "fantastic" has a daring escape from pirates, life-or-death rescue missions, and a heartbreaking romance.**

Thom and his fellow colonists are in danger of paying the ultimate price to secure their homeland in this last book of the Elemental trilogy. After the shocking discovery that his mother is still alive and on Roanoke, Thom is determined to return to that island. However, the island is still under pirate control, and a mysterious boy in possession of a dangerous element appears. With the help of an unlikely ally and the newly discovered ability to combine elements, Thom must summon the full extent of his power to end this battle for their home once and for all.

Packed with adventure, mystery, and romance, the gripping conclusion to the series that began with *Elemental* and *Firebrand* is perfect for fans of *Ship Breaker* and *Divergent*.

### Editorial Review

From School Library Journal

Gr 7–10—The action doesn't skip a beat in this gripping conclusion to the "Elemental" trilogy (Dial). Thomas and the others are on the ship they used to escape from Fort Sumter at the end of *Firebrand* (Dial, 2013), and are heading north towards Roanoke, with Thomas's uncle Dare still in hot pursuit. The teen and his friends hatch a plan to switch ships with Dare and outrun him to get back to Roanoke to find Thomas's mother. The plan seems to have worked, but at Roanoke a new obstacle appears: a child with a new Element that gives him control over the Plague-ridden rats, enabling him to force the rats—and their fatal disease—upon humans like a weapon. And, while it appears that Thomas's brother Griffin may be the Solution to the Plague, that may not be enough to stop Dare's renegade pirates from destroying everyone's only chance at survival. There is no rest from the action in this exciting last installment. Revelations come quickly and plentifully, and yet they are incorporated well in the story. Characters are not without their flaws, but these flaws are realistic, and the growth of the protagonist, especially the younger ones, is evident. Fans will not be disappointed.—Kelly Jo Lasher, Middle Township High School, Cape May Court House, NJ

### About the Author

Antony John is the Schneider Award-winning author of *Five Flavors of Dumb*, *Thou Shalt Not Road Trip*, *Elemental*, and *Firebrand*. For many years he was a regular visitor to the Outer Banks. He was bewitched by the beauty of the landscape and fascinated by the legends that surrounded them. Although *Elemental*, *Firebrand*, and *Renegade* are set in the future, they have their origins in the islands' remote past—an era of sailing ships, small, independent colonies, and still-unsolved mysteries. Antony now lives with his family in St. Louis, Missouri.
