The Great Terror: A Reassessment By Senior Research Fellow and Scholar-Curator of the East European Collection Robert Conquest

The definitive work on Stalin's purges, *The Great Terror* was universally acclaimed when it first appeared in 1968. In recent years, even the former Soviet Union has come to call it the definitive account of the period. While the original volume relied heavily on unofficial sources, later developments within the Soviet Union provided an avalanche of new material, which Conquest has mined, to write this revised and updated edition of his classic work. Under the light of fresh evidence, it is remarkable how many of Conquest's most disturbing conclusions have been verified. Many details have also been added, including hitherto secret information on the three great "Moscow Trials," the purge of writers and other members of the intelligentsia, life in the labor camps, and many other key matters. Both a leading historian and a highly respected poet, Conquest blends profound research with evocative prose to create a compelling and eloquent chronicle of one of the twentieth century's most tragic events.

Editorial Review

About the Author

Robert Conquest, historian, poet, literary critic, and political writer, is the author of many books in these fields, including such classic works on Soviet history as *The Great Terror* and *The Harvest of Sorrow*, both published to much acclaim in the Soviet Union itself. He is at present a senior research fellow at the Hoover Institute, Stanford University.

Users Review

From reader reviews:

Bobby McCabe:

This *The Great Terror: A Reassessment* are usually reliable for you who want to be considered a successful person, why. The reason of this *The Great Terror: A Reassessment* can be one of the great books you must have will be giving you more than just simple examining food but feed you with information that might be will shock your prior knowledge. This book will be handy, you can bring it just about everywhere and whenever your conditions at e-book and printed people. Beside that this *The Great Terror: A Reassessment* giving you an enormous of experience like rich vocabulary, giving you trial of critical thinking that we know it useful in your day activity. So , let's have it and revel in reading.

Carl Vincent:

Playing with family in the park, coming to see the sea world or hanging out with pals is thing that usually you could have done when you have spare time, and then why you don't try point that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love *The Great Terror: A Reassessment*, you may enjoy both. It is good combination right, you still desire to miss it? What kind of hang type is it? Oh occur its mind hangout men. What? Still don't get it, oh come on its known as reading friends.

Keith Reese:

What is your hobby? Have you heard which question when you got scholars? We believe that that query was given by teacher on their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person just like reading or as reading become their hobby. You need to know that reading is very important and also book as to be the factor. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You get good news or update with regards to something by book. Many kinds of books that can you take to be your object. One of them are these claims *The Great Terror: A Reassessment*.

Ruth Paiz:

A number of people said that they feel uninterested when they reading a guide. They are directly felt the item when they get a half elements of the book. You can choose typically the book *The Great Terror: A Reassessment* to make your current reading is interesting. Your own skill of reading skill is developing when you including reading. Try to choose easy book to make you enjoy to study it and mingle the feeling about book and examining especially. It is to be first opinion for you to like to start a book and study it. Beside that the book *The Great Terror: A Reassessment* can to be your brand new friend when you're sense alone and confuse with the information must you're doing of this time.
