Eddie: The Life and Times of America's Preeminent Bad Boy By Ken Osmond, Christopher J. Lynch

Eddie Haskell was the bad kid who never went away. When child actor Ken Osmond stepped onto the set of *Leave it to Beaver* in 1957, he not only entered our living rooms, he homesteaded a permanent place in the American pop culture. The poster child for sneaky, rotten kids everywhere, he was the reference point for cautious mothers to warn their children about. And everyone in America knew an Eddie Haskell at some point in his or her lives. The amazing phenomenon of Ken Osmond's character is still going strong, over half a century after the show's cancellation. Even today, the name Eddie Haskell remains firmly entrenched in the American lexicon. Political foes from both sides of the ideological spectrum love to accuse their opponents of, "acting like Eddie Haskell," and when Kobi Bryant argues a referee's call, tweets go out labeling him as an "Eddie Haskell." Psychology Today Magazine has published articles about recognizing and treating "Eddie Haskell Syndrome" and Matt Groening created Bart Simpson as his own version of "the son of Eddie Haskell." Now it's time to meet Ken Osmond, the man behind America's preeminent bad boy. A man who, as co-star Jerry Mathers said, "Was the best actor on the program, because he was so diametrically opposed to the character he played." A devoted husband, father and patriot, he's a man who's been forever shadowed by Eddie Haskell, but whose own life, was even more amazing than the character he portrayed.

Editorial Review

About the Author

Ken Osmond is a former child dancer and actor who is best known for his portrayal of Eddie Haskell from the classic TV comedy, Leave it to Beaver. After the show ended in 1963, Mr. Osmond found himself to be hopelessly typecast and turned to law enforcement to find employment. His career, and his life were nearly cut short when he was shot 3 times at point blank range while on duty one night. Besides his iconic TV role, Mr. Osmond was the subject of urban legends. One was that he was the porn star John Holmes, the second was that he was the outrageous rock star Alice Cooper. Neither of these rumors were true. Mr. Osmond is retired today and manages his collection of rental properties.

Users Review

From reader reviews:

Linda Pillar:

In this 21st century, people become competitive in each way. By being competitive currently, people have to do something to make these individuals survive, being in the middle of the actual crowded place and notice simply by surrounding.
