Indian Financial System By M Y Khan

This book on Indian Financial System focuses on presenting to the readers the emerging organizational, structural, institutional, regulatory as well as policy developments in the financial sector in India. The contents of all the chapters reflect major developments since the publication of the earlier edition until end-March 2015.

Meant for teachers and students of finance, management and commerce, this book would also be useful for the finance and investment managers of corporates and financial institutions and the stock exchange community.

Salient Features :

- Significant updates on notable policy and operational developments till end-March 2015.
- New chapters on Regulatory Framework—Primary Market and Regulatory Framework— Secondary Market.
- Additional reading material on Companion Website.
