Midnight In Venice By Meadow Taylor

From the author of *The Billionaire's Secrets* and *Falling for Rain*, *Midnight in Venice* is a captivating new contemporary tale of romance and suspense set in the magical city of Venice, Italy

Readers met and fell in love with Olivia Moretti in Meadow Taylor's hugely popular holiday story *Christmas in Venice*, where Olivia is rescued by a gorgeous Italian cop, Alessandro Rossi, during an airport bomb scare. Now, as the new year begins, her joy at having landed her dream job in Venice's thriving art world is surpassed only by the realization that she and Alessandro are falling in love—and her surprise that he turns out to be not just the son of a tycoon, but a gifted pianist and former racecar driver who is equally at home in the city's bejewelled palazzos as patrolling its streets. Olivia can't believe that her life now includes masked balls, exquisite music, romantic trips to Paris—and true love. But all this is put in jeopardy when a business trip to New York City finds her accused of a crime she didn't commit—and not even Alessandro believes she's innocent. Can her new love uncover the truth and keep Olivia's Italian dream from becoming a nightmare?

A thrilling, passion-filled story set among the dazzling palaces, canals, and piazzas of one of the world's most beautiful cities, *Midnight in Venice* is perfect for fans of Danielle Steel, Nora Roberts, and lovers of contemporary romance everywhere.
