Not Another Typical Day: Wizards of Eredwynn Vol 3 (The Wizards of Eredwynn) By Daniel B. Harris

The past five years at Wizard's Castle have been wonderful. All had been right with the kingdom and there were no car salesmen around. We had truly become a family and not a dysfunctional one. If we had a problem, we talked.

The only black mark on the last five years happened only a couple years ago. The Queen, my wife and her sister's mother, had suddenly taken ill and died.

Everyone was hit hard by her passing because she had always been a friend to the wizarding community.
