Editorial Review

Review

This is a fine translation, both fluent and accurate. It captures the range of tonalities of the original in elegant English that is neither stiffly formal nor cheaply colloquial...The supplementary matter is appropriate and useful. The introduction is crisp and clear, the interpretive essay illuminating...Scully has done a sound and serious job of translating and annotating for the general reader. Above all, his translation is excellent in respect to style and clarity: really a pleasure to read.

-- David Konstan, Brown University
