Editorial Review

About the Author

Janet Dailey, who passed away in 2013, was born Janet Haradon in 1944 in Storm Lake, Iowa. She attended secretarial school in Omaha, Nebraska, before meeting her husband, Bill. The two worked together in construction and land development until they “retired” to travel throughout the United States, inspiring Janet to write the Americana series of romances, setting a novel in every state of the Union. In 1974, Janet Dailey was the first American author to write for Harlequin. Her first novel was *No Quarter Asked*. She has gone on to write approximately ninety novels, twenty-one of which have appeared on the *New York Times* bestseller list. She won many awards and accolades for her work, appearing widely on radio and television. Today, there are over three hundred million Janet Dailey books in print in nineteen different languages, making her one of the most popular novelists in the world. Those ebooks are helping them to add their knowledge. In different case, beside science guide, any other book likes *Something Extra* to make your

spare time considerably more colorful. Many types of book like here.

Brian Rocha:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Something Extra can make you experience more interested to read.
