Star Trek: The Complete Unauthorized History By Robert Greenberger

An unauthorized history of *Star Trek* TV shows and films, celebrating its enduring popularity and devoted fans.

Star Trek: The Complete Unauthorized History is a loving and candid review of the fifty-year franchise, a story as full of plot twists as its hundreds of episodes and films. Greenberger, author of over a dozen *Star Trek* novels and short stories, tells this fascinating tale as only an expert and longtime fan could. He examines the behind-the-scenes saga--from the struggles of *Star Trek's* enthusiastic creator, Gene Roddenberry, to realize his vision on the small screen, to the franchise's latest cinematic reinvention from J. J. Abrams--as well as the devoted fans who support its continued growth.

Featuring sidebars by such *Star Trek* authorities as Michael and Denise Okuda, as well as contributions from well-known fans, including astronauts Thomas D. Jones and Mario Runco Jr., *Star Trek: The Complete Unauthorized History* captures the long and bumpy road to *Star Trek* becoming an international, groundbreaking phenomenon. Greenberger explores the many ways in which *Star Trek* has earned its enduring place in pop culture, evidenced by myriad comic books, audio dramas, software, board games, short stories, novels, *Saturday Night Live* sketches, elaborate fan productions, and well-known catch phrases. More than two hundred photographs illustrate the book.

Users Review

From reader reviews:

Ila Petty:

With other case, little persons like to read book Star Trek: The Complete Unauthorized History. You can choose the best book if you'd prefer reading a book. As long as we know about how is important a book Star Trek: The Complete Unauthorized History. You can add know-how and of course you can around the world by just a book. Absolutely right, mainly because from book you can learn everything! From your country till foreign or abroad you may be known. About simple matter until wonderful thing you may know that. In this era, we could open a book or searching by internet unit. It is called e-book. You can utilize it when you feel uninterested to go to the library. Let's go through.

Judith Bryant:

Typically the book Star Trek: The Complete Unauthorized History will bring someone to the new experience of reading a new book. The author style to clarify the idea is very unique. In the event you try to find new book you just read, this book very ideal to you. The book Star Trek: The Complete Unauthorized History is much recommended to you to see. You can also get the e-book in the official web site, so you can easier to read the book.

David George:

The publication with title Star Trek: The Complete Unauthorized History has lot of information that you can discover it. You can get a lot of profit after read this book. This book exist new information the information that exist in this guide represented the condition of the world today. That is important to yo7u to understand how the improvement of the world. This specific book will bring you with new era of the internationalization. You can read the e-book in your smart phone, so you can read that anywhere you want.

Bruce Davis:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Star Trek: The Complete Unauthorized History can make you feel more interested to read.
