The Narrative Discourse: An Essay in Method By Gerard Genette

Gerard Genette builds a systematic theory of narrative upon an analysis of the writings of Marcel Proust, particularly 'Remembrance of Things Past.'

Adopting what is essentially a structuralist approach, the author identifies and names the basic constituents and techniques of narrative and illustrates them by referring to literary works in many languages.

Editorial Review

Review

"This book is generally considered one of the most- significant contributions to literary criticism in the 1970's, and it is almost essential or anyone doing serious study of narrative. The book is difficult and introduces a great deal of terminology, some of which has already been adopted by critics. It is well organized and systematic, a good example of what Robert Pirsig called the classical manner, a whole divided into its subordinate parts, those parts being further subdivided. To illustrate the use of his narrative analysis Genette applies it to Proust's *Remembrance of Things Past* and provides us with an insight into that great series." ?Lawrence J. Gorman (April, 1984)

Language Notes

Text: English, French (translation)

From the Back Cover

Gerard Genette, a critic of international stature, here builds a systematic theory of narrative upon an analysis of the writings of Marcel Proust, particularly *Remembrance of Things Past*. Adopting what is essentially a structuralist approach, the author identifies and names the basic constituents and techniques of narrative and illustrates them by referring to literary works in many languages.

Users Review

From reader reviews:

Harvey Hobbs:

What do you think about book? It is just for students because they are still students or the item for all people in the world, what best subject for that? Just simply you can be answered for that problem above. Every person has distinct personality and hobby for every other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book *The Narrative Discourse: An Essay in Method*. All type of book would you see on many methods. You can look for the internet resources or other social media.

Vivian Nava:

Can you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Make an effort to pick one book that you just dont know the inside because don't ascertain book by its protect may doesn't work the following is difficult job because you are scared that the inside maybe not while fantastic as in the outside search likes. Maybe you answer might be *The Narrative Discourse: An Essay in Method* why because the amazing cover that make you consider regarding the content will not disappoint anyone. The inside or content is definitely fantastic as the outside as well as cover. Your reading sixth sense will directly direct you to pick up this book.

Nathan Barnes:

Is it you who having spare time and then spend it whole day by watching television programs or just lying on the bed? Do you need something totally new? This *The Narrative Discourse: An Essay in Method* can be the response, oh how comes? A fresh book you know. You are thus out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?

Eddie McCoy:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this *The Narrative Discourse: An Essay in Method* can make you really feel more interested to read.
