War and Peace is a novel by the great Russian author Leo Tolstoy. Epic in scale, it is widely regarded as one of the central works of world literature and Tolstoy's finest literary achievements.

War and Peace delineates in graphic detail events surrounding the French invasion of Russia, and the impact of the Napoleonic era on Tsarist society, as seen through the eyes of five Russian aristocratic families. Portions of an earlier version of the novel, then known as "The Year 1805", were serialized in the magazine The Russian Messenger between 1865 and 1867. The novel was first published in its entirety in 1869.
