**World-Beat & Funk Grooves: Playing a Drumset the Easy Way** By Alan Dworsky, Betsy Sansby

Unlike any other how-to-play book available, this book's method is based on a style of playing called "linear drumming," which means playing one note at a time. Instead of having to learn separate parts for hands and feet and then layering them on top of each other, the student only needs to learn a single pattern that moves note by note from limb to limb.
