About the Author

Brad Dayley is a senior software engineer with almost 22 years of experience creating computer software. He has been working with Photoshop for 21 years, enjoying the transition of Photoshop from a simple image editor to the powerhouse it is today. He is the author of several books. He is an avid amateur photographer and spends most of his free time in the remote areas of the western United States with his wife DaNae and four sons (wherever a Jeep can get them).

DaNae Dayley has been working with Photoshop for 18 years and is still constantly amazed at the cool stuff it can do! With a degree in Advertising from Brigham Young University, DaNae has owned and operated a media creation business for 17 years, incorporating writing, graphic design, and video editing over the years. She also enjoys teaching Photoshop classes locally. She has co-authored several books with her husband Brad Dayley and is the author of *Photoshop CS3 Extended Video and 3D Bible* and *Roxio Easy Media Creator 8 in a Snap*. DaNae lives in Utah with her husband Brad and their four sons. When she is not at her computer, she can be found in the great outdoors (with a camera), preferably in a Jeep!
