About the Author

Casper Rigsby is a 34 year old husband and father. He is the author of the bestselling title *The Bible in a Nutshell*, a prominent blogger at *Atheist Republic*, and a very vocal advocate for out of the closet atheism. His works seek to address fundamentalism at its roots through theological and philosophical discourse, which is also highly irreverent and often even blasphemous. His straight-forward and blunt approach can be abrasive to some and refreshing to others.
