Editorial Review

Review

Draw Close to the Fire is starkly personal and authentic. Wardle shows us how to find God and our own wholeness by embracing emotional pain rather than running from it. In so doing he is not just telling us what works for him. He is standing on the shoulders of the wisest people in history. --Dr. Robert E. Coleman, Director, Billy Graham Institute on Evangelism, Wheaton College

The best book I have read in a long time. I will be recommending it to everyone I know. Wardle's honesty and realistic approach are both refreshing and disarming. --Robert S. McGee, author of The Search for Significance, and founder of the Rapha Treatment Centers
