Essentials of Personnel Assessment and Selection By Scott Highhouse, Dennis Doverspike, Robert M Guion

This second edition provides managers and students the nuts and bolts of assessment processes and selection techniques. With this knowledge, managers learn to make informed personnel decisions based on the results of tests and assessments. The book emphasizes that employee performance predictions require well-formed hypotheses about personal characteristics that may be related to valued behavior at work. It also stresses the need for developing a theory of the attribute one hypothesizes as a predictor—a thought process too often missing from work on selection procedures. Topics such as team-member selection, situational judgment tests, nontraditional tests, individual assessment, and testing for diversity are explored. The book covers both basic and advanced concepts in personnel selection in a straightforward, readable style intended to be used in both undergraduate and graduate courses in Personnel Selection and Assessment.

Honors include the Distinguished Scientific Contributions Award, Society for Industrial and Organizational Psychology; Award for Lifetime Contributions to Evaluation, Measurement, and Statistics, American Psychological Association (Div. 5); and the Stephen E. Bemis Memorial Award, International Personnel Management Association Assessment Council.

Users Review

From reader reviews:

John Townsend:

Why? Because this Essentials of Personnel Assessment and Selection is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who else write the book in such wonderful way makes the content inside of easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking means. So , still want to delay having that book? If I were being you I will go to the e-book store hurriedly.

Katie Phillips:

Do you have something that you want such as book? The guide lovers usually prefer to choose book like comic, limited story and the biggest some may be novel. Now, why not attempting Essentials of Personnel Assessment and Selection that give your pleasure preference will be satisfied by reading this book. Reading routine all over the world can be said as the means for people to know world considerably better then how they react to the world. It can't be stated constantly that reading routine only for the geeky man or woman but for all of you who wants to possibly be success person. So , for all you who want to start looking at as your

good habit, you could pick Essentials of Personnel Assessment and Selection become your own personal starter.

Wilhelmina Kane:

Can you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Aim to pick one book that you find out the inside because don't assess book by its protect may doesn't work the following is difficult job because you are scared that the inside maybe not since fantastic as in the outside seem likes. Maybe you answer might be Essentials of Personnel Assessment and Selection why because the great cover that make you consider concerning the content will not disappoint an individual. The inside or content is definitely fantastic as the outside or maybe cover. Your reading 6th sense will directly guide you to pick up this book.

Melissa Broussard:

This Essentials of Personnel Assessment and Selection is brand new way for you who has interest to look for some information as it relief your hunger associated with. Getting deeper you in it getting knowledge more you know or perhaps you who still having little digest in reading this Essentials of Personnel Assessment and Selection can be the light food for you because the information inside that book is easy to get through anyone. These books build itself in the form which is reachable by anyone, sure I mean in the e-book type. People who think that in reserve form make them feel drowsy even dizzy this e-book is the answer. So there is absolutely no in reading a e-book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss that! Just read this e-book type for your better life and also knowledge.
