Last Minute GMAT Grammar: Proven Techniques to Increase Your Sentence Correction Score -- Overnight! By Rowan Hand

"Even as a native English speaker, I struggled with the sentence correction section whilst prepping for the GMAT exam.

This is an excellent and thorough step-by-step guide that helped me tackle many of the common and less known grammatical errors. It specifically targets the recurring themes within the GMAT exam that are proven to cause the most difficulties for test-takers. It identifies and explains in a clear and concise manner how to go about tackling these sentences and provides plenty of good examples. I would highly recommend this guide to all GMAT candidates seeking to boost their scores in the verbal section!" --Bianca Roden, UK

"Awesome book! Recommended by a friend when I recently had to cram for a GMAT test, this more than any other got me through the test. As a dual English/Italian speaker I needed something clear and which I could study overnight."

--JP Rebolini, UK
