Bang By Roosh V

Bang is a pickup textbook intended for men who weren't born with the natural ability to sleep with a lot of women. The knowledge in this book is powerful enough that it has been targeted by crazy feminists who left over 300 fake one-star reviews after attempting to ban the book outright with a change.org petition that was signed by over 200,000 people.

Bang contains simple but effective techniques, moves, and lines that teaches you how to have consensual sex with women. It includes...

- The 8 essential beliefs of the alpha male
- The 5 critical components of the "vibe," an optimal attitude women find most attractive
- Tons of natural, high-impact opening lines that work just about anywhere women can be found
- Best answers to a girl's common questions that heighten the tension and build attraction
- A technique to get her phone number without asking for it
- Detailed text messaging strategy that shows you word-for-word how to get dates in the shortest amount of time possible (no need to make voice calls)
- The one text messaging mistake 95% of guys make that kill the interaction
- A simple trick for the first date that will make her feel like she has known you longer than she actually has

Bang goes into explicit detail on how to escalate to intimacy...

- "Four key moves" to the kiss that are so natural and easy to pull off that the girl won't even recognize them as moves
- A comprehensive dating strategy so you sleep with her no later than the third date
- The 5 magic words to say when you want to get inside her place
- How to make a smooth transition to the bedroom
- 7 detailed steps to taking off her clothes

There is also an appendix that covers unique situations you may face...

- How to approach girls in coffee shops, the gym, and foreign countries
- How to prevent a girl from seeing you as too young or too old

- A bonus "cheat sheet" that contains six of the most crucial points you need to remember when it's time to pickup girls

Dozens of additional topics are logically organized into five chapters...

- **Internal Game.** How to build your confidence and adopt the correct beliefs that maximize your notch count
- **Early Game.** How to meet women, have good conversations, build attraction, and get either numbers, kisses, or one-night stands
- **Middle Game.** How to set up a date along with what to do and say while out on them
- **Late Game.** How to seal the deal and plan for future dates
- **End Game.** How to take your results to the next level

The lessons taught in this no-nonsense, no-fluff textbook aim to help men reach their sex potential based on their existing look and status. The fact that it has helped so many thousands of men since its original publication has made it a target by feminists and social justice warriors who hope to conceal the critical sex knowledge that it contains.
