Editorial Review

Review

"Brooke Smith reminds us that learning never stops. His pearls of wisdom contained in this little gem of a book reach out to us beyond space and time and teach us what we need to know in this moment. Part Yoda, part Dalai Lama, part "The Dude"; Brooke slips us the keys to the universe as if on a cocktail napkin from the other side. I thoroughly enjoyed reading his musings." - **Emilee Annine Moeller, author of bestseller Eat, Pray, HCG: Lose Weight Fast on the HCG Protocol and Keep It Off By Gaining Peace of Mind**

I never met Brooke Smith. Had I, here's how it might've looked: Brooke talking, me mostly nodding, sometimes looking confused and even a couple 'WTF?' looks. And then...a handshake, a hug, a smile. Read this book. Wisdom, perspective, truth, humor, energy. This book makes the word 'unique' look ordinary. - **Sid Garza-Hillman, author of "Approaching the Natural: A Health Manifesto" and host of the Approaching the Natural Podcast.**
