### Editorial Review

#### Review

5 Stars - AVC Proofreading ~I have been thrilled to be along for the journey of the Back-Up series. These books are seductive, thrilling, funny, and emotional. With amazing writing and an awesome plot line, you can't lose when you join the groupies of the Devil's Lair.

5 Stars - A.D. Justice ~ I love getting lost in a book. That is the mark of a wonderful writer to me -- if they can make me feel like I am actually that character, I feel those feelings, and I can't wait to see what happens next. AM does all of that and more in this book!

5 Stars - Books Beyond Fifty Shades of Grey ~ This third installment into the series, was funnier, wittier, extremely clever, and even sexier than the first two. It shined so bright, by giving me, the reader everything I wanted and more. What an incredible book! I highly recommend.

5 Stars - Swooning Over Books ~ This is AM Madden's debut series and I absolutely loved watching the growth in her writing as each novel was released. I would not be surprised if we saw her paperbacks sitting on the shelves of some big named stores in the future.
