Gray's Anatomy: Classic Illustrated Edition (Fall River Classics) By Henry Gray

An unabridged edition of "Gray's Anatomy", the scientific and artistic triumph. Kept in print by its clarity and usefulness, the text features sumptuous illustrations and clear, matter-of-fact descriptions. It is illustrated with more than 500 clinical drawings by H.V. Carter. This is a scientific and artistic triumph. Not just a dry index of parts and names, Gray's lets the natural beauty and grace of the body's interconnected systems and structures shine forth from the page. Using sumptuous illustrations and clear, matter-of-fact descriptions, Dr. Gray unleashed a classic on the world more than 100 years ago. Its clarity and usefulness keep it in print today. Whether you want to understand yourself or others, knowledge of our physical parts and how they fit together is essential. "Gray's Anatomy" provides that information in a simple, timeless format that cleanly dissects a body of knowledge grown over centuries. This unabridged book will not only fill the needs of people in the medical profession, but will please artists and naturalists as well.
