Hey Dad! Meet My Mom By Sandeep Sharma, Leepi Agrawal

Right since childhood, the world in which we live teaches us to bury our 'bad' past somewhere deep inside us and just move on. So deep, that even we can't possibly dig it back out. What happens when a 10 year old child, who claims to be your future son, comes to you to help you find his mother, who's your perfect match? What happens when you eventually start doubting his intentions? What happens when a girl starts turning your dreams into nightmares? What happens when your 'future son' starts haunting you? What happens when your FUTURE starts bleeding into your PRESENT through your PAST? 'Hey Dad! Meet My Mom!!!' is nothing less than a roller coaster ride of mystery, love, comedy, fear and suspense. So make sure you don't forget to expect the unexpected!!

Editorial Review

Users Review

From reader reviews:

Brenda Taylor:

In this 21st century, people become competitive in every way. By being competitive right now, people have do something to make all of them survives, being in the middle of the particular crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Sure, by reading a book your ability to survive boost then having chance to stay than other is high. In your case who want to start reading some sort of book, we give you that Hey Dad! Meet My Mom book as beginner and daily reading book. Why, because this book is greater than just a book.

Phyllis Belser:

As people who live in the actual modest era should be upgrade about what going on or information even knowledge to make them keep up with the era that is always change and move ahead. Some of you maybe can update themselves by looking at books. It is a good choice for you but the problems coming to a person is you don't know which you should start with. This Hey Dad! Meet My Mom is our recommendation to make you keep up with the world. Why, as this book serves what you want and need in this era.

Henry Buford:

Playing with family in the park, coming to see the water world or hanging out with friends is thing that usually you could have done when you have spare time, then why you don't try factor that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Hey Dad! Meet My Mom, you can enjoy both. It is good combination right, you still desire to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't get it, oh come on its named reading friends.

Lorene Williamson:

Are you kind of stressful person, only have 10 or 15 minute in your day to upgrading your mind ability or thinking skill even analytical thinking? Then you are experiencing problem with the book than can satisfy your short space of time to read it because pretty much everything time you only find e-book that need more time to be study. Hey Dad! Meet My Mom can be your answer because it can be read by anyone who have those short spare time problems.
