Individualism: A Reader By George H. Smith - editor, Marilyn Moore - editor

Individualism is one of most criticized and least understood ideas in social and political thought. Is individualism the ability to act independently amidst a web of social forces? A vital element of personal liberty and a shield against conformity? Does it lead to or away from unifying individuals with communities?

Individualism: A Reader provides a wealth of illuminating essays from the 17th to the early 20th centuries. In 26 selections from 25 writers, individualism is explained and defended, often from unusual perspectives. This anthology includes not only selections from well-known writers, but also many lesser-known pieces - recorded here for the first time - by philosophers, social theorists, and economists who have been overlooked in standard accounts of individualism.

The depth and complexity of ideas about individualism are reflected in the six sections in this collection. The first examines individuality generally, with the following five detailing social, moral, political, religious, and economic individualism. Throughout, individualism is analyzed and defended through the lenses of classical liberalism, free market libertarianism, individual anarchism, voluntary socialism, religious individualism, abolitionism, free thought, and radical feminism.

Both richly historical and sharply contemporary, *Individualism: A Reader* provides a multitude of perspectives and insights on personal liberty and the history of freedom.

Editorial Review

Users Review

From reader reviews:

Brian Wallace:

Nowadays reading books become more than want or need but also be a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want have more knowledge just go with education and learning books but if you want feel happy read one using theme for entertaining including comic or novel. The Individualism: A Reader is kind of guide which is giving the reader capricious experience.

Lee Henry:

This Individualism: A Reader is great guide for you because the content that is certainly full of information for you who also always deal with world and get to make decision every minute. This kind of book reveal it data accurately using great organize word or we can declare no rambling sentences in it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tough core information with attractive delivering sentences. Having Individualism: A Reader in your hand like getting the world in your arm, info in it is not ridiculous 1. We can say that no e-book that offer you world in ten or fifteen second right but this e-book already do that. So , this can be good reading book. Hi Mr. and Mrs. busy do you still doubt this?

Harry Anderson:

You can spend your free time you just read this book this e-book. This Individualism: A Reader is simple to deliver you can read it in the playground, in the beach, train in addition to soon. If you did not have got much space to bring typically the printed book, you can buy typically the e-book. It is make you easier to read it. You can save typically the book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Leroy Moore:

A lot of reserve has printed but it differs. You can get it by world wide web on social media. You can choose the top book for you, science, comedy, novel, or whatever by means of searching from it. It is referred to as of book Individualism: A Reader. You can add your knowledge by it. Without making the printed book, it may add your knowledge and make anyone happier to read. It is most significant that, you must aware about guide. It can bring you from one destination to other place.
