In a Nine Circles novel, there is fine line between pleasure and pain, between sin and salvation. In *Kidnapped by the Billionaire*, Jackie Ashenden explores what happens when a man and a woman go from enemies to lovers.

When revenge and desire collide...

Seven years ago, billionaire-turned-bodyguard Elijah Hunt lost everything he had?his family, his future?and now he wants revenge. But when he decides to kidnap the daughter of the man who ruined his life, Elijah gets a lot more than he bargained for.

Violet Fitzgerald is nothing like her corrupt wealthy father. In fact, she's so disarmingly independent?and irresistible?that she's downright dangerous...

there is no place to hide.

Violet never thought she'd feel a connection to her captor. But there's something beneath Elijah's steel-bodied exterior that makes her want to know him more deeply...and surrender to his every demand.

However, once Elijah's erotic fantasies become a reality?and he and Violet develop a powerful connection?he finds himself in a quandary: Is he still the one in control? Or has Violet imprisoned him?body and soul?
