## **Editorial Review**

From the Author

The 2nd edition (592 pages) includes a significant increase in content relative to the 1st edition (280 pages). The 2nd edition adds content from the release 8, 9 and 10 versions of the specifications, including LTE Advanced. It also adds sections on Time Division Duplexing (TDD), Voice over LTE and Multimedia Broadcast Multicast Services (MBMS) over LTE. In addition, existing sections have been expanded to allow more comprehensive explanations. A companion website is available for sample downloads and an LTE visualisation tool. This version of the book has a full colour cover with black and white content.

About the Author
