Wild Girls, Wild Nights: True Lesbian Sex Stories From Cleis Press

There are the fabled urban myths of lesbians who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild women with dirty minds, untamed tongues, and even the occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. These Wild Girls tell stories of their own Wild Nights (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported, transplanted, we are transgressors. And it makes me fucking wet." Angel Propps struggles to face her deepest desires. "The word Daddy had a familiar shape on my tongue, but not in my head, and for one second I was sure I was going to Hell?and then I came." She'd found, of course, "The Daddy I Didn't Know I Needed." Anna Watson, in "Tamago," gives a poignant and sizzling view of being a lesbian femme who loves butches. "I know being femme is what makes the breath blow out of me when she calls and says, 'Babe, I just wanted you to know that I was driving along here, thinking about your breasts.'" Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, "Wild Girls, Wild Nights: True Lesbian Sex Stories" is the proof of that.

Editorial Review

Review

"Real women, real sex. Really hot! Sacchi Greene is well known in lesbian erotica circles, having written for, and more recently, edited numerous anthologies over the years. *Wild Girls, Wild Nights* is the first time she has gathered stories from both published and brand-new writers about their own sexual experiences. There are stories about first times, threesomes, forbidden sex during the 'Don't Ask Don't Tell' era in the US military, strap-ons, sex toys and online meetings that turn into romance and marriage." –Curve Magazine

"A good middle ground between softness and innocence, and the gritty reality of women knowing what they want, then going out to get it [...] It's just a damn good, thorough, well-organized book." ?Millennial Toybox

"Butch-femme, BDSM, vanilla, spanking, and one wild fox hunt- this anthology has a story for every taste! Out of the 20 stories presented in this collection there wasn't one I didn't like- every story was unique, engaging, and had a different flair to it. I enjoyed reading some authors whose stories I've read before and also enjoyed discovering some new authors." ?Lipstick Lesbian Reviews

"A little pervy, but oh so believable." ?Dr. Dick's Sex Advice

"Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, *Wild Girls Wild Nights: True Lesbian Sex Stories* is the proof of that." ?Lezbelib

"This anthology is not only hot, fast-paced, and horny, but it's deliciously memorable." ?V.C., author of *The Man on Top of the World*

"Sacchi Green has gathered together stories that blow my mind." –Kink, etc

"If you find yourself in the mood for sexy stories that also do the (very attractive) work of representing various types of relationships, debunking sexist stereotypes, and showing the capacity for care between people, then this is your book." ?Slixia

"Rather unusually, this raunchy collection of lesbian sex stories is based on personal experiences rather than fantasies. Writing honours are shared between well-known names and newcomers." ?Erotic Trade Only

"There are first times, life-long commitments, and fleeting encounters to savor for a lifetime." ?Erotica Readers and Writers Association

"Anyone who assumes erotica is just not their thing may think twice after reading these stories. There's warmth and humanity here, and a perfect balance of sex with storytelling. I picked it up to pass the time on a humid night made even swamper by an hours-long electrical storm. From the time I started reading until I put it down for the night, the temperature in my room rose five degrees. Just saying. *Wild Girls, Wild Nights* is fresh, provocative and very hot." ?Lambda Literary

"If your main interest is simply in reading some hot, believable, girl-on-girl tales, you won't be disappointed." ?Erotica Revealed"

This is an erotic book not to be missed. It is smoking hawt! Ms. Green brought together some amazing

smexy f/f stories. Those who enjoy all kinds of kinky fetishes with girl on girl sex, this is the book to read."
?BDSM Book Reviews

"Ladies who love ladies can kick their hot-and-sweaty summer into high gear with *Wild Girls, Wild Nights: True Lesbian Sex Stories*, an anthology of real stories from real women, edited by Sacchi Green. Intimate, unrestrained details of wet, messy, frenzied and sometimes even awkward sex lives unfold in one tantalizing tale after another, the full collection of which are sure to add a little more heat to the beach." ?Frontiers LA

"Indeed, these stories are wild and sensual and they run the gamut from using strap-ons to a bit of S and M and occur in places all over the world." ?Amos Lassen

"This story is about the beauty of connecting with your own desire and finding something you didn't even know you needed." ?Miel Rose
