Becoming Us: College love never hurt so good. (London Lovers Series Book 1) By Amy Daws

~The prequel to the London Lovers Series~

The dreaded friend-zone...

The last place I ever want to be with college basketball God, Jake LaShae.

I am losing my mind trying to figure out what this gorgeous and confident man wants from me. I need to break through his walls. What is it about me that makes him not go there? What am I lacking?

When a mind-blowing betrayal knocks the wind out of me, and I think I can't feel any lower...Brody stumbles into my path—barefoot no less, and sexy as hell. His direct and mouth-watering swagger is a breath of fresh air. The feelings this man gives me are like nothing I've ever experienced.

But Brody has a past.

A past that makes it nearly impossible for him to trust me and let us become us in whatever capacity that may be.

Just when Brody and I truly connect, just when I think that finding my soul-mate in college isn't a total joke, Jake comes back into my life...and messes things up...possibly for good.

Becoming Us allowed me to become a voyeur in the development of the relationship between Brody and Finley and introduced more characters that I love and want to know so much more about!

~Patricia, Room With Books

From the Author

I'm super excited to be releasing a PreQuel to Brody & Finley's story! When I first wrote A Broken Us, I eluded to how Brody & Finley met in college...and even some drama that went on there. I had an idea in my head about what their backstory was, but that was it. When A Broken Us released, I couldn't stop thinking about Brody & Finley in college...it consumed me! So I thought....what if? What if I write a PREQUEL! If Star Wars can do it, surely I can!

So that's what Becoming Us is. It's a part of my London Lover Series even though it's not set in London. But it's where it all began...it's where we first meet Finley, Brody, Jake, Leslie, Angela, and Mark. All these great characters that will hopefully be unforgettable for you.

Becoming Us and A Broken Us can be read in any order. By release date or by chronological order. Take your pick....and hopefully you enjoy reading them as much as I enjoyed writing them!
