Throughout high school, Benjamin Alcott had a single goal in mind – to escape a home environment that was anything but loving and supportive. With determination and perseverance, Ben has risen to the top of his class, both academically and athletically. And with careful planning, he has secured scholarships which ensure he has a real chance to see through his goal of becoming a doctor. But beyond that dream, Benjamin also wants a place where he can live freely and openly as the young gay man he is without shame, persecution, or fear. Cord Robinson also has a dream which he has held close to his heart for years, while he patiently waited for Benjamin to grow up and leave home – for Ben to be his. Cord has already gone through the steps of coming to terms with his sexuality and then coming out to his family and friends. And now that college is over for him and his best friend Branden, who is also Benjamin's brother, Cord is ready to let Ben know that he is interested in a real future with the beautiful young man. But as Ben prepares for his graduation, the violence at home reaches a breaking point and he flees. When Cord realizes what has been going on behind the Alcott's doors, it's a race against time for him to find Ben and then open his heart to the one other man he wants to build a life and solid foundation with as Benjamin prepares to finally spread his wings and fly.
