Comprehensive Exam Review for the Pharmacy Technician By Jahangir Moini

This is a must-have book for anyone preparing to take the Pharmacy Technician National Certification Exam. Essential material summaries provide a concentrated review of the topics covered on the National Certification Exam. Each chapter ends with a multiple-choice quiz to reinforce the review material covered in the chapter. Over 1,200 questions along with example case studies will help you assess your knowledge of the topic areas covered on the exam. A comprehensive 150-question test written in National Certification Exam style is also included. Answers for all of the quizzes and tests are provided at the back of the book. For those looking for more practice, a CD-ROM is packaged with the book that includes an additional 600 multiple-choice questions along with the option to create an unlimited number of comprehensive exams.
