Story of a Secret Heart By Cassi Ellen

A broken heart hurts, but it can also be fun.....

Story of a Secret Heart calls on the author's own experiences to weave together a hilarious and thought-provoking dark romantic comedy.

However, be warned, this story is not for everyone! It is a very personal, brutally honest story, about love, life and laughter, told from the heart.

As Cassi, a 30-year old single woman, leaves a long-term, unhappy relationship, she struggles with the pain and anguish of a broken heart. When, by chance, she meets a handsome stranger, he introduces her to a world that she didn't even know existed: a very dark and dangerous world! As she begins to slowly forget all about her broken heart she learns to have fun again. It is then that her life starts to spiral out of control and all she can do is laugh and hang on tight. Through her trials and tribulations, Cassi must find her inner strength and keep a smile on her face even in front of adversity.

A troubling and uplifting story that will touch the heart of readers.

Because the best stories are true....
