The Poor Always Pay Back: The Grameen II Story By Asif Dowla, Dipal Barua

Nobel Prize-winning microcredit institution Grameen Bank has financially empowered the poorest families in more than a hundred countries across the globe for over three decades through savings and loans. Recently, Grameen has undergone a complete overhaul of its system, creating "Grameen II" and seeking to make its loan programs more effective.

The Poor Always Pay Back not only uncovers how a major financial institution is able to change its system in response to the needs of its borrowers, but also how Grameen redefined and continues to redefine the basic assumptions of credit worthiness. The immense success of Grameen Bank shows a hopeful trend in the alleviation of poverty.

Grameen Bank II is addressing the frontier issues in microfinance: open access savings, flexible loan products, self reliance and absence of donor dependency for funds, and product development to cater to the needs of the retirees (Grameen Pension Scheme) and their adult children (Higher Education Loans). The story behind these and other innovations show why Grameen has become such an inspiration to those working for social justice everywhere.

Editorial Review

Review

This accessible work provides considerable detail about how the bank evolved and why. Highly recommended. --Choice

Western society characterizes the poor as 'dirty,' 'dishonest,' 'lazy,' and 'incapable of planning.' [This] book provides us with overwhelming, concrete evidence to the contrary. --Journal of International Development

About the Author

Dipal Barua is the Deputy Managing Director of Grameen Bank and the Managing Director of the Grameen Shakti in Bangladesh. He has extensive experience in the field of poverty alleviation, microcredit, rural development and people's participation as a result of being a core founder of Grameen Bank. He serves on the board of directors of 16 sister organizations of Grameen Bank including Grameen Phone, the largest cell phone company in South East Asia, and Project Enterprise, a micro lending program in New York.

Asif Dowla is a professor of economics at St. Mary's College of Maryland. He has published various articles on economics and aspects of microfinance such as leasing, savings mobilization and social capital. In 1997, he received a fellowship to spend a year on sabbatical at Grameen Bank.

Users Review

From reader reviews:

Brian Davis:

Reading a book tends to be new life style on this era globalization. With reading you can get a lot of information which will give you benefit in your life. Along with book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their own reader with their story or even their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some investigation before they write to the book. One of them is this The Poor Always Pay Back: The Grameen II Story.

Darcie Hartman:

Why? Because this The Poor Always Pay Back: The Grameen II Story is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will zap you with the secret it inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content inside of easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of benefits than the other book include such as help improving your skill and your critical thinking approach. So , still want to hold off having that book? If I have been you I will go to the reserve store hurriedly.
