Trouble According to Humphrey By Betty G. Birney

Humphrey loves to solve problems for his classmates in Room 26, but he never meant to create one! Golden-Miranda, one of his favorite students, gets blamed when Humphrey is caught outside of his cage while she's in charge. Since no one knows about his lock-that-doesn't-lock, he can't exactly squeak up to defend her. Humphrey really has his paws full when Don't-Complain- Mandy-Payne and her family stir up more big trouble. Humphrey manages to help Pay-Attention-Art and Sit-Still-Seth and even survives a trip to the vet, but can he clear Miranda's name without giving up his freedom forever?

Editorial Review

From School Library Journal

Grade 2–4—Humphrey is just as lovable and sweet as he was in *Friendship According to Humphrey* (Putnam, 2005). Still a classroom pet, the hamster learns that his freedom may not be as important as his loyalty to his human friends. The students of Room 26 are assigned jobs as part of a social-studies project. When the hamster gets out of his cage, it is not because the student in charge did not lock the door, but because it does not lock. Humphrey feels guilty for getting his friend in trouble and spends the rest of the book trying to make it right. Along the way, he helps a child learn how to concentrate, reunites two friends, is banned from the classroom, and visits the vet. His escapades teach honesty, responsibility, and the consequences of actions. Essential reading for students who already love Humphrey.—*Delia Carruthers, Sunset Ridge Middle School, West Jordan, UT*

From [Booklist](#)

Birney's third Humphrey title finds the charming, observant hamster still taking his job as class pet very seriously. On his mind this time are Paul, who is failing; Mandy, whose family is facing financial challenges; and Miranda, who is blamed for something Humphrey did. Fans as well as readers new to the series will be entertained by Humphrey's escapes, which are related in a lively, first-person narrative, laced with humor, heart, and hamster facts. *Shelle Rosenfeld*

Marylou Beauregard:

Reading a book for being new life style in this year; every people loves to go through a book. When you go through a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your review, you can read education books, but if you want to entertain yourself read a fiction books, this sort of us novel, comics, and also soon. The Trouble According to Humphrey provide you with a new experience in reading through a book.

Minnie Weiner:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Trouble According to Humphrey can make you experience more interested to read.
