## **Apologetics to the Glory of God: An Introduction** By John M. Frame

*Apologetics to the Glory of God* sheds needed light on the message and method of genuinely Christian apologetics. Frame insightfully examines apologetics as proof, defense, and offense and clarifies the relationships of reason, proofs, and evidences to faith, biblical authority, and the lordship of Christ. He also takes a fresh look at probability arguments and gives special attention to the problem of evil.

Particularly helpful are Frame's extensive use of Scripture and his presentation of specific lines of argument. A model dialogue in the concluding chapter shows how these work in conversation.
