BEYOND SHAME (87,000 words, 354 pages)

All Noelle Cunningham has ever wanted is a life beyond the walls of Eden, where only the righteous are allowed to remain. But ruins lie outside the City, remnants of a society destroyed by solar storms.

Those ruins house the corrupt and the criminal--men like Jasper McCray, bootlegger and cage fighter. He'll defend the O'Kane gang with his life, but no fight prepared him for the exiled City girl who falls at his feet.

Her innocence is undeniable, and so is their attraction. But if she wants to belong to Jas, she'll have to open herself to a world where passion is power, and freedom is found in submission.

BEYOND CONTROL (100,000 words, 398 pages)

Alexa Parrino escaped a life of servitude to become one of the most influential people in Sector Four, where the O'Kanes rule with a hedonistic but iron fist. There's nothing she wouldn't do for the gang--and for its leader. But she bows to no one, not even Dallas O'Kane.

Dallas fought to carve order out of the chaos of the sectors. Danger threatens his people, but his liquor business is flourishing, and new opportunities fuel his ambition. Lex could help him expand his empire--and no one says no to the king of Sector Four.

Falling into bed is easy, but their sexual games are anything but casual. Attraction quickly turns to obsession, and their careful dance of heady dominance and sweet submission uncovers a need so deep, so strong, it could crush them both.

BEYOND PAIN (89,000 words, 350 pages)

Live fast, die young--anything else is a fantasy for Six. She's endured the worst the sectors had to throw at her, but falling in with Dallas O'Kane's Sector Four gang lands her in a whole new world of danger. They're completely open about everything, including their sexuality--but she hasn't survived this long by making herself vulnerable. Especially not to men as dominant as Brendan Donnelly.

Bren is a killer, trained in Eden and thrown to the sectors. His one outlet is pain, in the cage and in the bedroom, and emotion is a luxury he can't afford--until he meets Six. Protecting her soothes him, but it isn't enough. Her hunger for touch sparks a journey of erotic discovery where anything goes--voyeurism, flogging, rough sex. He has only one rule: he won't share her.

In Bren's arms, Six is finally free to let go. But his obsession with the man who made him a monster could destroy the fragile connection they've forged, and cost him the one thing that makes him feel human--her love.

#### Review

"Beyond Shame is a wonderfully, well thought out erotic dystopian with a fantastic cast of characters." --  
The Bookpushers on *Beyond Shame*

"The talented team behind Rocha hits their stride in this third installment of their sizzling, post-apocalyptic series... The dark, dog-eat-dog world is fully realized, the colorful cast established and grounded, and the pace never lets up -- making for Rocha's strongest book so far." -- RT Book Reviews (TOP PICK, Reviewer's Choice Award Winner) on *Beyond Pain*

From the Author

#### About the Beyond Series

This book is part of the Beyond series, stories set in a post-apocalyptic world where the rich and powerful have claimed ownership of the country's only self-sustaining city. Those who live within Eden's walls must abide by a strict moral code or risk exile to the brutal, lawless sectors.

Gangs and petty dictators rule the slums, but not all kings are created equal. Dallas O'Kane and his brotherhood of bootleggers are the only authority in Sector Four. Cross them at your peril. But pledge your loyalty, and you might be invited into their world of passion and power, sex and sin. Just remember: if you're an O'Kane, you're an O'Kane for life.
