Blueprints Medicine (Blueprints Series) By Vincent B. Young MD PhD, William A. Kormos MD MPH, Davoren A. Chick MD FACP

One of the best selling and most highly regarded volumes in the **Blueprints** series, **Blueprints Medicine** provides a concise review of what students need to know in their rotations or the Boards. Each chapter is brief and includes pedagogical features such as bolded key words, tables, figures, and key points boxes. This edition has been reorganized to follow the Clerkship Directors in Internal Medicine guidelines and includes thoroughly updated content and additional tables and figures. A question-and-answer section at the end of the book includes 100 board-format questions with complete rationales for each answer choice.

A companion website includes a question bank with 50 additional questions and answers and fully searchable text.
