Prepositions: The Ultimate Book - Mastering English Prepositions By Andrew Bruckfield

A guide for developing successful speakers, this book proposes a pedagogical approach to the prepositions of the English language. Designed for all levels of students for easy comprehension and quick learning, over 2000 examples of simple and complex (phrasal) prepositions and prepositional idioms help readers understand and create the intended message. By learning how to correctly link words to their specific meanings, students will be able to build fluency and accuracy while working with creativity and autonomy. Organized by function and subject, with over 400 prepositions, including more than 100 illustrations, this book helps students identify and use context cues through a variety of examples of real-world situations. Whether you are in the English classroom or out in the professional world, Prepositions: The Ultimate Book is an indispensable and comprehensive reference tool for all international learners seeking to communicate more effectively and naturally in the English language.
