Editorial Review

Review

#1 Amazon Bestseller Rank in *Kindle Worlds: Romance*

5Stars! "As a short story, spilt into three awesome parts it was a definite page turner. I was glad to be able to have all three parts available as I could not put the story down and finished it in one day. I highly recommend reading the entire Silo Saga and it really has to be read in order." Robin Manor, Amazon

From the Author

Note from the Author

Science Fiction, Fantasy and Futuristics are my main sub-genre of Romance--though a warning, my stories tend to be a little "racier" than this one.

The *A Silo 1000 Romance* serial was a lot of fun to work on! This was with the author's pre-approval and all necessary copyright issues taken care of by Kindle Worlds. I take copyright seriously and would not have presumed to publish a story in *Silo Saga* otherwise.

Thank you to *Silo Saga: Wool* author Hugh Howey for letting me play in his cylindrical metal world. I now relinquish the silos and the seeds they contain back into his safe keeping.
