**The Demon in Democracy: Totalitarian Temptations in Free Societies** By Ryszard Legutko

Ryszard Legutko lived and suffered under communism for decades—and he fought with the Polish ant-communist movement to abolish it. Having lived for two decades under a liberal democracy, however, he has discovered that these two political systems have a lot more in common than one might think. They both stem from the same historical roots in early modernity, and accept similar presuppositions about history, society, religion, politics, culture, and human nature.

In *The Demon in Democracy*, Legutko explores the shared objectives between these two political systems, and explains how liberal democracy has over time lurched towards the same goals as communism, albeit without Soviet style brutality.

Both systems, says Legutko, reduce human nature to that of the common man, who is led to believe himself liberated from the obligations of the past. Both the communist man and the liberal democratic man refuse to admit that there exists anything of value outside the political systems to which they pledged their loyalty. And both systems refuse to undertake any critical examination of their ideological prejudices.

### **Editorial Review**

#### About the Author

Ryszard Legutko is a professor of philosophy at Jagiellonian University in Krakow, Poland, specializing in ancient philosophy and political theory. He has served as Poland's education minister, secretary of state in the chancellery of the late president Lech Kaczynski, and deputy speaker of the Senate.

Liam Gerrard is an award-winning voice artist with over ten years of experience working in every field of the voice industry, as well as a highly acclaimed stage and screen actor. A 2017 Audie Award nominee, he has narrated over thirty audiobooks in a wide range of genres and styles.

### **Users Review**

#### **From reader reviews:**

##### **David Ramos:**

What do you concentrate on book? It is just for students because they're still students or that for all people in the world, what the best subject for that? Just simply you can be answered for that question above. Every person has distinct personality and hobby for each other. Don't to be obligated someone or something that they don't desire do that. You must know how great and important the book *The Demon in Democracy: Totalitarian Temptations in Free Societies*. All type of book would you see on many methods. You can look for the internet resources or other social media.

##### **John Davis:**

The reason why? Because this *The Demon in Democracy: Totalitarian Temptations in Free Societies* is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content within easier to understand, entertaining method but still convey the meaning fully. So , it is good for you for not hesitating having this any more or you going to regret it. This amazing book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking technique. So , still want to postpone having that book? If I have been you I will go to the e-book store hurriedly.

##### **Lien Fugate:**

You could spend your free time to see this book this guide. This *The Demon in Democracy: Totalitarian Temptations in Free Societies* is simple to bring you can read it in the recreation area, in the beach, train along with soon. If you did not get much space to bring the printed book, you can buy the actual e-book. It is make you easier to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

**Warner Gomez:**

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this The Demon in Democracy: Totalitarian Temptations in Free Societies can make you sense more interested to read.
