

A Spy's Guide to Thinking (Kindle Single)

By John Braddock

A Spy's Guide to Thinking (Kindle Single) By John Braddock

The #1 Kindle Single.

In a 45 minute read, a former spy spotlights two thinking tools. The first is how we think. The second helps us think ahead.

Braddock uses the tools face-to-face with a new enemy. And gives insights into CIA intelligence-gathering. Finally, he uses the tools to show how Saddam Hussein was thinking about WMD.

These thinking tools are simple. Simple so you make quick decisions. Because quick decisions lead to action. And action is the only thing that matters.

Editorial Review

Review

"Crisp. Organized. Cerebral and intuitive. Most of all, fun. A Hemingway of the C. I. A." - Andrew Scott

"This is a very 'smart' book. It is compact, and concise. John Braddock has been able to throw in a good spy story to show how to properly think in a stressful situation." - Robert Franks

"This was much better than I expected. The biggest surprise was how well Braddock writes. Most novelists could pick up some tips from him. Get this book. It's practically free, and you can read it in a sitting." - Goodreads reviewer Jacob O'Connor

About the Author

John Braddock was a case officer at the CIA. He developed, recruited and handled sources on weapons proliferation, counter-terrorism and political-military issues. A former university research fellow, he is now a strategy consultant. He helps people and organizations think more effectively about their strategy, their customers and the competition.

Users Review

From reader reviews:

Louis Vasquez:

Nowadays reading books be than want or need but also be a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want have more knowledge just go with education books but if you want sense happy read one along with theme for entertaining like comic or novel. The A Spy's Guide to Thinking (Kindle Single) is kind of guide which is giving the reader unstable experience.

Benjamin King:

This book untitled A Spy's Guide to Thinking (Kindle Single) to be one of several books that best seller in this year, that's because when you read this publication you can get a lot of benefit in it. You will easily to buy this kind of book in the book retailer or you can order it by means of online. The publisher on this book sells the e-book too. It makes you more easily to read this book, as you can read this book in your Mobile phone. So there is no reason to you to past this e-book from your list.

Mattie Martin:

This A Spy's Guide to Thinking (Kindle Single) is great reserve for you because the content which can be

full of information for you who always deal with world and also have to make decision every minute. That book reveal it details accurately using great coordinate word or we can state no rambling sentences within it. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with lovely delivering sentences. Having A Spy's Guide to Thinking (Kindle Single) in your hand like keeping the world in your arm, facts in it is not ridiculous one particular. We can say that no publication that offer you world throughout ten or fifteen tiny right but this reserve already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt which?

Sean Rusin:

Within this era which is the greater person or who has ability in doing something more are more important than other. Do you want to become one of it? It is just simple strategy to have that. What you are related is just spending your time not very much but quite enough to experience a look at some books. One of many books in the top checklist in your reading list is actually A Spy's Guide to Thinking (Kindle Single). This book that is certainly qualified as The Hungry Inclines can get you closer in turning into precious person. By looking upward and review this reserve you can get many advantages.
